

Mission Statement

Land of the Sky United Church of Christ is an emerging, progressive community seeking to serve the still-speaking God by living justly, loving abundantly, and walking humbly in the ways of Jesus.

Partnering for our Future

Testimonies not Tests of Faith

Orthopraxy vs. orthodoxy

Non-essentials vs. Essentials

In Non-Essentials, diversity; in Essentials, Unity:

In our community is it essential that you can be in community with people who may believe something different than you. Our community does not strive for unity in belief but instead seeks to walk alongside one another as we each walk our spiritual path. We are shaped by community, but our spiritual journeys are not required to be the same.

Threshold Partnership

Not a traditional model of membership

People are Saying Yes before we know all that unfolds; our community is constantly emerging

Commitment to Dialogue through Discomfort and Challenge

I'm glad you love it here, but like at some point, I will disappoint you or the church will let you down. Please decide on this side of that happening if, after it happens, you will still stick around. Because if you leave, you will miss the way that God's grace comes in and fills in the cracks of our brokenness. And it's too beautiful to miss. Don't miss it –Nadia Bolz-Weber
